

PROGRAM FÓRA

10:10 Prednáška

Miloš Mervart
CCSO,
METRANS /Danubia/

Kombinovaná doprava – súčasný stav a budúcnosť'

Kombinovaná doprava umožňuje prepravu tovaru veľmi efektívny spôsobom a s možnosťou zníženia nákladov. Využívame ju však dostatočne?

10:50 Prednáška

Andrea PANCOTTI
Manager Sales & Energy Services, Slovenské elektrárne
Energeticky efektívne riešenia pre logistické centrá

Nájomníkov čoraz viac zaujímajú okrem nízkych nákladov na nájomné aj nízke prevádzkové náklady. Prednáška predstaví model implementácie energeticky efektívnych riešení.

11:40 Prednáška

Marek MAŤOVČÍK
Project Manager, SysTech Group

Mario Rapant
Špecialista na dopravníkové systémy
(vnútropodniková doprava), PSA Peugeot Citroën Slovakia

Automatizácia logistických procesov vo výrobe

Prezentácia priblíží konkrétné skúsenosti z výrobného prostredia, kedy správne rozhodnutia prinášajú aj dobré výsledky – intralogistiké riešenia na základe znalostí logistických procesov.

12:10 Obed + Businesslog

13:10 Prednáška

Andrea Janičková
obchodná riaditeľka, INDEX NOSLUŠ

ADZ ako business partner v logistickej spoločnosti

Pracovný trh prechádza turbulentným obdobím, na ktoré musia reagovať všetky riadiace zložky spoločnosti. Prednáška prinesie príklady, kedy spolupráca agentúry dočasného zamestnávania a personálneho oddelenia vedie k rozvoju core businesu.

13:40 Panelová diskusia

Katarína ZEMÁŇKOVÁ
account manager,
INDEX NOSLUŠ

Pavol JANČOVIČ
predseda predstavenstva,
TOPNAD

Nedostatok pracovných sôl. Existuje riešenie?

Slovenská ekonomika v súčasnosti prudko rastie a firmy trpia nedostatkom pracovných sôl. Chýbajú vodiči, skladníci i robotníci. Kde nájsť schopných ľudí?

14:10 Panelová diskusia

Anton BRATH

Richard LAMPER
CEO,
ČSAD Invest Logistics

Facility management – najnovšie trendy a požiadavky nájomcov

Facility manažment je považovaný za nástroj k zvýšeniu efektivity firmy a ku kontrole nákladov. Ide teda hľavne o spôsob, ako zvýšiť vlastnú konkurenčieschopnosť.

PO SKONČENÍ ODBORNEJ Časti NA VÁS ČAKÁ NETWORKINGOVÝ VEČER V ROCKOVOM ŠTÝLE!

PROGRAM OF THE FORUM

10:10 Presentation

Miloš MERVART
CCSO,
METRANS /Danubia/

Combined transport – current condition and future

Combined transport allows shipping a product in a very efficient way and with the option to lower the costs. Are we using it sufficiently?

10:50 Presentation

Andrea PANCOTTI,
Manager Sales & Energy Services, Slovenské elektrárne

Low-power solutions for logistic centers

Besides low costs for rent, tenants are more interested in overhead costs. The lecture introduces a model of implementation of low-power solutions.

11:40 Presentation

Marek MAŤOVČÍK
Project Manager, SysTech Group

Computerization of logistic processes in production

The presentation specifies actual experience from the production environment, when good decisions bring about good results – intralogistics solutions based on the knowledge of logistic processes

12:10 Lunch + Businesslog

13:10 Presentation

Andrea JANIČKOVÁ
Commercial Director, INDEX NOSLUŠ

Temp agencies as a business partner for logistics companies

The labor market is going through a turbulent time, and all managing units in companies must react to this. The presentation will highlight concrete examples of how temporary help agencies and the HR departments of companies can cooperate to develop the core business of the company.

13:40 Panel discussion

Katarína ZEMÁŇKOVÁ
Account Manager,
INDEX NOSLUŠ

Lack of labor force; is there a solution?

Slovak economics are currently rocketing and the companies lack labor force. Drivers, storekeepers and workers; how to find skilled workers?

14:10 Panel discussion

Pavol JANČOVIČ
Chairman of BOD,
TOPNAD

FMCG – delivery times shortening

Fast-moving product logistics is getting more demanding for the shortening of product delivery times. It needs to be adopted not only by logistics providers, but also by producers and traders.

14:40 Presentation

Martin ŠTRBA
E-shop manager and head of logistics, Martinus.sk

E-shop logistics – how to manage the ongoing growth and seasonality?

A look behind the scene of the largest Internet book e-shop in Slovakia also describes its logistics and the comprehensive system of dealing with seasonal deviations.

15:15 Coffee break

Peter MÉSZÁROS
Authorized agent,
Duvenbeck Slovakia

Ivana MARTINÁKOVÁ
Authorized agent,
dm drogerie markt

Suppliers vs clients – partners or enemies?

When dealing about prices business partners often become fierce adversaries. However the price does not always have to be the most decisive factor when searching for a supplier.

16:45 Presentation

Jiří OVESNÝ
Specialist in Intralogistics Solutions, STILL SR

Intralogistics – optimizing solution

Comprehensive system of intracompany logistics often guarantees high competitiveness of the company and is the key to its success in the market. The lecture describes the options of handling the intralogistics well.

17:15 Presentation

Peter ČAČO
Branch Manager, TRANS.eu

Practical IT solutions in transport and logistics

It is no special skill to invest in new solutions. But is a special skill to invest so that the new solution brings about quick benefit and profitability of invested finances.

17:40 Panel discussion

Katarína DOBÍŠOVÁ
Logistics Manager,
Nestlé Slovensko

Marián JANCÍK
Head of System Freight,
DB Schenker Slovakia

FMCG – delivery times shortening

Fast-moving product logistics is getting more demanding for the shortening of product delivery times. It needs to be adopted not only by logistics providers, but also by producers and traders.

18:15 Closing words
